

MONDAY JUNE 8

GCRP Pro-Life Committee Presents:
Theology of the Body

We live in a culture that treats the human body like a toy, whose only value is to provide sexual pleasure. So much of the moral decadence in our country comes directly from this perverted view. Angela Calabro Hartwell will explain the innate beauty of the human body, and why it deserves to be respected.

The speech will be held at Christ on Main on 14 South Main, Greenville on the 8th of June, 2026 at 6:30 PM.

Registration Required, no charge for event.
