

# MONDAY SEPTEMBER 14

## GCRP Pro-Life Committee Presents: Transhumanism

The perfect human has been a dream of some for nearly a century. Eugenics became real with birth control, has evolved into screening children for characteristics before birth, and we already have cybergenetic implants being inserted into people's brains. Joanne Price will discuss the history, current practices and expected trends of making man in man's imagination.

The speech will be held at Denny's at 2521 Wade Hampton Blvd, Greenville on the 14th of September, 2026 at 6:30 PM. Food will be available for purchase at 5:30 PM

Registration Required, no charge for event.
